- Herbs that help balance glucose levels, adrenal levels and hormonal levels
- Energizing herbs to help improve your energy level
- Herbs that increase the absorption of important minerals as well as essential vitamins

Beautiful Skin and Longer, Stronger Hair and Nails

Emerald Balance includes ingredients with a high concentration of amino acids, Vitamins A, B-Complex, and E, plus important hair and nail building minerals such as Manganese, Zinc, Copper, Iron, Selenium, *and* Bamboo and Horsetail; both rich in natural Silica, a mineral essential for creating longer, stronger hair and nails. Traces of this mineral can be found in every organ and cell of the body, with its greatest concentrations being in cartilage, blood vessels, skin and hair.

pH Balancing for Radiant Health

Emerald Balance contains pH balancing Green foods, often called “Super foods,” because of their superior health benefits, are packed with nutrients and compounds that provide health benefits beyond the scope of basic nutrition—*and* if the body's pH balance is important, if it's not balanced, you cannot effectively assimilate vitamins, minerals and food supplements.

Green Drinks Have Never Tasted This Good

Emerald Balance is designed to benefit people of all ages, from children to seniors and it is delicious. Although this is a heavily guarded “family secret”, the reason Emerald Balance tastes so good is because our skilled formulators carefully balanced combinations of fruits, spices, and herbs to create its uniquely refreshing, wholesomely natural flavor.

Emerald Balance is delicious and easy to use. Just mix with water, juice or add to your favorite protein shake. It comes in 2 convenient packages: a 10 oz canister (30 servings,) and an individually packaged as a 28-pack box.

Emerald Balance is available in health food stores and wellness centers across the nation, or can be ordered direct—call 866-599-7022 or visit www.emeraldbalance.com.
