

Emerald Balance—*Invigorate Your Body & Energize Your Life!*

Carlsbad, CA—Emerald Balance is the “Ultimate whole-body Super-Food” packed with over 42 superfoods, phytonutrients, antioxidants, bioflavonoids, enzymes, Probiotics, herbs and fiber that charge and nourish the body down to the cellular level. One serving has the antioxidant power of 8-10 servings of fruits and vegetables, (*with an *ORAC value of over 3000*) is rich in natural silica, collagen-building vitamins and minerals, plus supplies energizing superfoods that support connective tissue, hair, skin and nails.

TAKING Superfoods to a new level... the “Balance” in Emerald Balance supplies:

- **Anti-aging Antioxidants** found in red raspberries, blueberries, green tea bioflavonoids and vitamin C, E and A to help maintain and extend the life of your cells.
- **Detoxifying Ingredients** - Milk thistle, dandelion, parsley, watercress, silica, fiber and superfoods for detoxifying the liver, kidneys and colon.
- **Memory Enhancing Lecithin** to aid capillary flexibility and neurotransmitters that help with memory and focus.
- **Immune Boosters** - Spirulina, barley grass, chlorella, astragalus, royal jelly, aloe vera, enzymes and probiotics that are immune enhancers, keeping your body strong.
- **Adaptogen Balancing Herbs** - Aloe vera, cinnamon, eleuthero, dandelion, green tea and stevia for balancing the adrenals, glucose and hormonal levels.
- **Nutrients that Support Muscle Recovery** - 420 mg of silica rich herbs that are important for hair growth, skin elasticity, bone formation and supports connective tissue such as ligaments, muscle, joints, blood, skin and function of our major organs.
- **Anti-inflammatory Nutrients** - A special combination of herbs and superfoods that help control inflammation of joints and increase the absorption of important minerals as well as essential vitamins
- **Alkaline Forming Superfoods** - pH balancing Green “Super foods,” to help balance the body’s pH, and assist in absorption of vitamins, minerals and food supplements.
- **Optimum Digestion and Nutrient Absorption Boosting Ingredients** – Enzymes, Probiotics and herbs, such as ginger, cinnamon and pineapple which all aid in nutrient absorption.

And...Emerald Balance TASTES GREAT ...Really!

“The sweet, minty flavor is a heavily guarded “family secret, but one reason Emerald Balance tastes so good, is because it contains a carefully balanced combinations of fruits, spices, and herbs to create its unique, refreshing natural flavor.” Available as a 10 oz canister (30 servings) and individually packaged as a 28-pack box and 14-pack box in health food stores and wellness centers across the nation, or can be ordered direct—call 866-599-7022 or visit www.emeraldbalance.com.

**ORAC, short for Oxygen Radical Absorbance Capacity, is a test tube analysis that measures the total [antioxidant](#) power of foods and other chemical substances. Foods that score high in ORAC value may protect cells and their components from oxidative damage, according to ORAC studies of animals and human blood at the USDA Agricultural Research Service's Human Nutrition Research Center on Aging at Tufts University in Boston.*
